Kalinda Primary School’s Vision Statement
A learning community with shared values, fostering a life-long love of learning through meaningful experiences, to embrace a constantly changing society.

From the Principal……..

School Council

The nominations for School Council closed last Thursday at 4.00pm. There were exactly the same number of nominations as there were vacant places on Council so there was no need for an election. This is the first time that all the vacating members of Council renominated, therefore our School Council has the same membership as the past Council.

Your School Councillors are: Louise Hickey (President), Naomi Delaney (Secretary), Bryan Bennett (Treasurer), Nicky Sweeney, Ted Dugdale, Rachel Ryan, Lori Lundberg, Kelly Woodman, Phoebe Langridge, Karen Brindley, Richard Lambert, Michelle Ogilvie, Lyse Carlson, and Gail Pollard.

Queenscliff Camp

Our tired but very happy campers arrived home from Queenscliff last Friday afternoon. I had visited the camp last Wednesday and was lucky enough to accompany one group of students on the Marine biology boat cruise. This cruise is such an interesting experience and the children just love it. The boat has a large flat raised area with benches around it for the children to sit on. There is a dredge on the back of the boat which captures sea creatures and plants form the bottom of the bay. These are then transferred to large tubs on the platform and the children can sort them and look at them closely. There is a Marine Biologist on board who tell the children all about their discoveries. After this floating lesson the creatures and plants are put back into the water so that the environment is maintained. We then went to take a close look at the seal colony and then to the bird sanctuary at Pope’s Eye before we returned to Queenscliff port.

There were many fantastic experiences for the children to enjoy at camp. Back at school this week they are continuing with their experiments as the focus for this camp is Science. Thank you so much to our Parent Helpers and the teachers and Aides who went on camp. You all have made it a wonderful experience for our children.

Lateness

Already this year we are noticing many students regularly arriving late for school. This is unacceptable. Students need to be outside their room waiting to begin the day at 9.00am. Not only does the child arriving late feel unhappy about entering the grade when they are late, but it disturbs all the other students and teachers who have arrived on time and have already begun their work.

PLEASE make sure your child is at school, outside their classroom, at 9.00am EVERY DAY.
Term 1 is a Sunsmart Term

Have you got your hat?

All students must be wearing a hat when outdoors before and after school, at recess, lunchtimes and during sports classes. If they are not wearing a school-approved Sunsmart hat students will not be able to participate in outdoor activities and will be asked to sit in the shade under a designated area.

The Kalinda Community Group
The 2012 Waste Wise students would like to remind our Kalinda Community that this Sunday, 4 March is Clean Up Australia Day!

Did you know that Clean Up Australia Day started as Clean Up Sydney Harbour Day in 1989? The enormous public response over the years has seen more than 6 million Australians volunteer their time to help to make a difference to their own local environment. Since 1990, volunteers on Clean Up Australia Day have collected over 210,000 tonnes of rubbish – that’s 5 million household wheelie bins.

We hope members of our school community and beyond will take to their local park, bushland, bike track, beach and streets to make a difference and clean up their local environment. Clean Up Australia Day is the time we turn our attention to the shared spaces in our community. We are all in this together and need to continue to work as a community to make every day a Clean Up Day.

Many thanks,
Deb French and the Wonderful Waste Wise Team

'TID-BITS’ – HEALTH: PHYSICAL EDUCATION AND SCHOOL SPORT:

Government schools promote healthy lifestyles through physical education and sport, which are timetabled for all students from Prep to Year 10.

Research confirms that physical activity and fitness enhance students' mental and social development. Physical education and school sport also develop students' sense of fair play, self-confidence and the capacity for teamwork.

School sport provides important connections into community sporting organisations that foster lifelong participation in healthy community physical activities. (...to be continued).

Please feel free to see me if you have any questions about anything ‘From the Sports Desk’ this week! Thanks & Regards,

Mr. (Steve) Harvey

LEVEL 4 PARENT HELPERS NEEDED FOR GRADUATION 2012

Year 6 Graduation is the culmination of your children’s primary school experience and we aim to have a fantastic, student-centred evening in 2012.

Whilst I am the teacher coordinating the event, parent involvement is the most important factor in its success. Without the contribution of dedicated mums and dads, graduation would not be complete.

We need parents who are able to help with the general organization of the evening as well as some with specific skills in areas such as desktop publishing and photography.

Graduation Committee meetings will be held once a month and usually run for about an hour.

If you’d like to be involved, either from beginning to end or nearer to graduation, please e-mail me at: anthony.matthew.j@edumail.vic.gov.au and we can get started on Grad 2012 this term.

RECIPE OF THE WEEK!

I was watching Gordon Ramsay just prior to Christmas and he did these Roast Potatoes with a bit of a twist. Had to give them a try and they were a big hit at both dinner parties where I served them up. Give this a go and transform the humble spud!

♦ Serves: 8-10

**Gordon Ramsay’s Roast Spuds**

What you need:

- 2.5kg potatoes
- Sea salt and freshly ground black pepper
- 1½ tsp ground turmeric
- Pinch of chilli flakes, to taste
- 4–5 tbsp vegetable oil

1. Preheat the oven to 200°C. Peel the potatoes, quarter lengthways and place in a large saucepan of salted cold water. Bring to the boil, then lower the heat and simmer for about 8 minutes (or you can microwave them instead).

2. Drain the potatoes in a colander and sprinkle with the turmeric, chilli flakes and some salt and pepper. Toss in the colander to coat evenly, then drizzle with a little of the vegetable oil and toss again. Leave to steam for 5 minutes.

3. Put the rest of the vegetable oil in a roasting tray and place in the oven for a few minutes to heat up. Carefully add the potatoes and toss to coat in the oil. Roast for 40–45 minutes, turning a few times, until crisp and golden. Drain on kitchen paper and transfer to a warmed dish to serve.
