Commitment to Program

To help the school accurately plan and prepare for 2020, we are asking that parents of students moving into Grade 5 next year fill out the following form to confirm that they will be providing an iPad for their child's use at school.

Please fill in the form and return it along with the Acceptable Use Agreement Form, by **Friday, 6th December 2019**.

This serves to indicate your commitment to participate in the program.

We will be providing a privately purchased iPad for _____ (student's name). We understand that this iPad needs to be available for use at school each day and will need to have an iTunes account with relevant software loaded onto it for school use.

We will support our child to follow the *Acceptable Use Agreement (signed by our child at the beginning of each school year)*.
