

Kalinda Primary School No. 5121

Child Safety Code of Conduct Policy

Kalinda Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of Kalinda Primary School will support implementation and monitoring of the Code of Conduct and will plan, implement and monitor arrangements to provide an inclusive, safe and orderly school and other learning environments. The Principal and school leaders of Kalinda Primary School will also provide information and support to enable the Code of Conduct to operate effectively.
