

Dear parent/guardian,

Kalinda Primary School is looking forward to another great year of teaching and learning and would like to invite you to make a voluntary financial contribution for 2026.

Kalinda Primary School is committed to delivering an exceptional educational experience for every student. As we prepare for the 2026 school year, we invite families to consider making a voluntary financial contribution to support our programs and resources.

While core curriculum instruction is provided free of charge, voluntary contributions significantly enhance what we can offer. Your support directly impacts the quality and breadth of learning opportunities available to our students.

Why Your Contribution Matters:

- **Enhanced Learning Resources:** Access to up-to-date materials and technologies that support literacy, numeracy, and digital learning.
- **Specialist Programs:** Continued excellence in Visual Arts, Performing Arts, Japanese, PE, and STEM through well-equipped learning spaces and resources.
- **Enrichment Opportunities:** Choir, productions, sports events, community nights, clubs, and wellbeing programs such as Rock and Water, robotics, and gardening.
- **Facilities Improvement:** Ongoing upgrades to playgrounds, sports ovals, and outdoor learning environments.

These contributions help us tailor learning to individual needs, foster creativity, and build a vibrant school community. Every dollar makes a difference — whether through a one-time payment or a flexible instalment plan.

This year, we've reduced the requested amounts across most year levels, ensuring contributions remain accessible to all families

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Parents can choose to make voluntary contributions in instalments, nominating the date and quantities in a schedule they control. Parents can nominate the amount they wish to contribute as there is no formal amount owing or payable. If a parent wishes to pay by instalments, each payment is viewed as a stand-alone contribution. Example instalment options a family may choose to set up is:

	Nov	Dec	Jan	Feb	Mar	Apr	May	June	Jul	Aug	Sept	Oct	TOTAL
Monthly Instalments	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$47.30	\$567.60
Quarterly Instalments	\$141.90			\$141.90			\$141.90			\$141.90			\$567.60

Furthermore, parents are welcome to make payments by setting up their regular deposits through their banks. Kalinda's bank details are as follows:

Dear parent/guardian,

Kalinda Primary School is looking forward to another great year of teaching and learning and would like to advise you of Kalinda's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Kalinda Primary School is committed to delivering an exceptional educational experience for every student. As we prepare for the 2026 school year, we invite families to consider making a voluntary financial contribution to support our programs and resources.

While core curriculum instruction is provided free of charge, voluntary contributions significantly enhance what we can offer. Your support directly impacts the quality and breadth of learning opportunities available to our students.

Why Your Contribution Matters:

- **Enhanced Learning Resources:** Access to up-to-date materials and technologies that support literacy, numeracy, and digital learning.
- **Specialist Programs:** Continued excellence in Visual Arts, Performing Arts, Japanese, PE, and STEM through well-equipped learning spaces and resources.
- **Enrichment Opportunities:** Choir, productions, sports events, community nights, clubs, and wellbeing programs such as Rock and Water, robotics, and gardening.
- **Facilities Improvement:** Ongoing upgrades to playgrounds, sports ovals, and outdoor learning environments.

These contributions help us tailor learning to individual needs, foster creativity, and build a vibrant school community. Every dollar makes a difference — whether through a one-time payment or a flexible instalment plan.

This year, we've reduced the requested amounts across most year levels, ensuring contributions remain accessible to all families.

PARENT PAYMENTS POLICY ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.

Dear parent/guardian,

Kalinda Primary School is looking forward to another great year of teaching and learning and would like to advise you of Kalinda's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Kalinda Primary School is committed to delivering an exceptional educational experience for every student. As we prepare for the 2026 school year, we invite families to consider making a voluntary financial contribution to support our programs and resources.

While core curriculum instruction is provided free of charge, voluntary contributions significantly enhance what we can offer. Your support directly impacts the quality and breadth of learning opportunities available to our students.

Why Your Contribution Matters:

- **Enhanced Learning Resources:** Access to up-to-date materials and technologies that support literacy, numeracy, and digital learning.
- **Specialist Programs:** Continued excellence in Visual Arts, Performing Arts, Japanese, PE, and STEM through well-equipped learning spaces and resources.
- **Enrichment Opportunities:** Choir, productions, sports events, community nights, clubs, and wellbeing programs such as Rock and Water, robotics, and gardening.
- **Facilities Improvement:** Ongoing upgrades to playgrounds, sports ovals, and outdoor learning environments.

These contributions help us tailor learning to individual needs, foster creativity, and build a vibrant school community. Every dollar makes a difference — whether through a one-time payment or a flexible instalment plan.

This year, we've reduced the requested amounts across most year levels, ensuring contributions remain accessible to all families.
