

COMPLETE LUNCH BOX

No time to make lunches? Nothing in the fridge or cupboard?

We'll make lunch for you! Just \$6.00

Perfect for busy families. Just personally drop the lunchbox to the canteen **before 9am**, with payment and order. We will fill it with brain food, snacks and lunch then deliver to your child by 10am in time for Brain Food.

At Kalinda we are trying to reduce the amount of single use waste so we ask you to **supply your own Lunch Box with enough suitable snack containers or bags** when ordering the \$6.00 Complete Lunch Box. If you didn't have time to clean the lunchbox we can prepare the order in paper but please add \$0.50 to your order to cover the packaging. Please make sure your Lunchbox is clearly marked with their Name and Grade.
