

PARENT PAYMENT ARRANGEMENTS 2024

30th October 2023

Dear parent/guardian,

Kalinda Primary School is looking forward to another great year of teaching and learning and would like to advise you of Kalinda's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a broad and engaging curriculum, that is highly differentiated to ensure learning is at the point of need for every student. It allows us to provide essential learning resources to students, renew and enhance the provision of digital technology throughout the school, improve assessment practices, and to organise and coordinate rich and extensive programs outside of the traditional teaching and learning classroom structure. Our Specialist programs of Art, Music, Japanese, PE and STEM are exemplary, and your financial contributions assist us with the purchasing of varied art resources, musical instruments, sporting equipment and much more. Our fantastic playgrounds, sports oval and outside facilities have all been supported through our combined efforts.

Your financial contributions also assist us with ensuring we provide the highest quality literacy and numeracy learning experiences for our students, with resources available to ensure we maximise learning outcomes for all students.

Other programs which we are able to offer because of your contributions include choir, productions, community nights, sports events, different club activities and wellbeing programs such as Play is the Way, robotics and gardening.

All of these programs play an essential role in maximising academic and well-being outcomes for every student and ensure their experiences at Kalinda are engaging, meaningful and effective.

Yours sincerely,
